

PRESCHOOL & CHILDCARE

We are committed to helping your child grow socially, emotionally, physically and academically in an inclusive school. Children of all abilities learn to play and grow together. We accomplish this through love, lots of TLC and Creative Curriculum[®], a center and play-based curriculum that begins in infancy and continues through prekindergarten.

Our preschool's lead teachers have bachelor's degrees in early childhood or a related field and use fun and creative ways to ensure your child learns and is ready for kindergarten. Good Shepherd's teachers are well trained to help our children who have special needs reach their goals. We maintain a small child to teacher ratio to ensure that each child gets the attention he or she needs to grow. Our teacher ratios for infants and toddlers up to age 2 is 1:4 and our ratio for ages 2-5 is 1:6. Our program is nationally accredited by NAEYC.

GSS is open Monday through Friday year-round, 7:00am until 6:00pm. We have five (M-F), three (M,W,F) and two (T,Th) full day program options. Half-day preschool only (9-12:30) may be available. Enrollment is accepted at anytime.

Feel free to call for our competitive rates, for a tour or to enroll your child.
